Date: January 6, 2015

Subject: General Assembly; Ethics

Bill Summary: This proposal prohibits a member of the General Assembly from receiving compensation to serve as a political consultant for another member of the General Assembly.

Local Fiscal Highlights

- No direct fiscal impact on local political subdivisions is anticipated.

Fiscal Analysis

Officials at the **Missouri Ethics Commission (MEC)** assume this proposal will not have a fiscal impact. However, if the Commission identifies significant violations during the process established in §105.955.14(2),(3), or complaints received increase significantly, an investigator would be required to provide the proper oversight.

Oversight assumes that should MEC have a significant increase in complaints, they can seek additional resources through the appropriation process.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
